

To: FCC

Re: Sinclair Broadcasting

SB uses the public airwaves free of charge, and therefore has an obligation, by law, to serve the public interest rather than a partisan interest. If SB shows "Stolen Honor" then it needs to air Michael Moore's "Fahrenheit/911" as well. Or give us a critique on what this "documentary" has to say.

Good journalism is part of the deal in using FREE public access. Thank you.
